19TH SUNDAY IN ORDINARY TIME

This teaching of our Lord should make us all sit up and take serious notice. He warns us today that we must always be busy about our vocation, about the reason why he invited us into his home. He is ever helping us on the way. Could we be so blind to our own welfare that we would risk losing the eternal life that God has in store for us, and for which He went to the extreme lengths of love?

Today's warning is that our call to judgment will come on each one of us like a thief in the night, at a moment when we least expect it. It is the unprepared, the unprovided death which must cause us anxiety. We have to take an interest in the affairs of this world, but the interest must never exclude our eternal interest. Instead it can and must help us toward the one real interest that man has in this life, that is, to earn his eternal life.

OUR LADY HOME VISITATION

The family home visitation will aid families in responding to the requests made by the Blessed Mary during her various apparitions.

Her requests are threefold:

- **Return to God** (turn away from sin and obey the ten Commandments)
- **Make reparation for sins** (practice some form of penance and sacrifice in atonement for our own sins and the sins of others)
- **Pray the Rosary for Peace** (She asked us to pray the Rosary every day).

The commitment required of those families desiring to welcome Mary into their homes is:

- Make a special effort to avoid sin during her visit to your home.
- Perform some form of penance or sacrifice during the week of her visit in reparation for sin.
- Pray the Rosary as a family in the presence of her statue each day, or at least whatever part of a Rosary can be accomplished.

A family will have the Virgin Statue at their home for a week. The first week will begin on Saturday, August 31st. There will be a sign-up sheet at both parishes leading up to the date.
