May- Month of the Virgin Mary, Mother of God

Mary As the Mother of God, the Virgin Mary has a unique position among the saints, indeed, among all creatures. She is exalted, yet still one of us. "Redeemed by reason of the merits of her Son and united to Him by a close and indissoluble tie, she is endowed with the high office and dignity of being the Mother of the Son of God, by which account she is also the beloved daughter of the Father and the temple of the Holy Spirit. Because of this gift of sublime grace she far surpasses all creatures, both in heaven and on earth. At the same time, however, because she belongs to the offspring of Adam she is one with all those who are to be saved." USSB

Sunday May 14- Mothers' Day

"That special power of loving that belongs to a woman is seen most clearly when she becomes a mother. Motherhood is the gift of God to women. How grateful we must be to God for this wonderful gift that brings such joy to the whole world, women and men alike!" St. Teresa of Calcutta:
