**JULY – THE MONTH OF THE PRECIOUS BLOOD**

The feast of the Precious Blood of our Lord was instituted in 1849 by Pius IX, but the devotion is as old as Christianity. The early Fathers say that the Church was born from the pierced side of Christ, and that the sacraments were brought forth through His Blood. The Precious Blood which we worship is the Blood which the Savior shed for us on Calvary and reassumed at His glorious Resurrection; it is the Blood which courses through the veins of His risen, glorified, living body at the right hand of God the Father in heaven; it is the Blood made present on our altars by the words of Consecration; it is the

Blood which merited sanctifying grace for us and through it washes and beautifies our soul and inaugurates the beginning of eternal life in it.

**MEMORIAL FOR SAINT BONAVENTURE, BISHOP AND DOCTOR OF THE CHURCH – JULY 15**

At an early age he was a celebrated teacher and a powerful preacher. At thirty-six he was called to the highest post among the Franciscans, the Order which honors him as a second founder. He was an important figure at the Council of Lyons. His virtue and wisdom, his versatility and mildness were major factors in attaining the happy result that the Greeks so easily returned to the unity of the Church.
